Link: <https://play.google.com/store/apps/details?id=com.multipz.gpbo&hl=en-IN>

➤ **SOSE(Sidha Kisan Se – Organic Products Ordering App)**

Platform: **React Native (Android + IOS)**

Language: **JavaScript**

Role: I am involved in this project for new development of UI , functionality, modifications and bug fixing from the scratch.

App Location : In Google Play Store and App store.

Link: <https://play.google.com/store/apps/details?id=com.sose.main&hl=en-IN>

➤ **Om Mart(Vendor Distribution Channel E- commerce App)**

Platform: **React Native (Android + IOS)**

Language: **JavaScript, Redux**

Role: I am involved in this project for new development of UI , functionality, modifications and bug fixing from the scratch.

App Location : In Google Play Store and App store.

Link: <https://play.google.com/store/apps/details?id=com.ommart&hl=en-IN>

➤ **Rizbook(Service provider and service booking App)**

Platform: **React Native (Android + IOS)**

Language: **JavaScript, Redux-Toolkit, Typescript**

Role: I am involved in this project for new development of UI , functionality, modifications and bug fixing from the scratch.

App Location : In Google Play Store and App store.

Link: <https://play.google.com/store/apps/details?id=com.rizbook&hl=en-IN>

➤ **Vuub Memo(Story reel create and social App)**

Platform: **React Native (Android + IOS)**

Language: **JavaScript, Redux, Typescript**

Role: I am involved in this project for new development of UI , functionality, modifications and bug fixing from the scratch

App Location : In Google Play Store.

Link: <https://play.google.com/store/apps/details?id=com.vuub&hl=en-IN>

➤ **GOATTY(Greatest Of All Time – A Volunteer Donation , E-commerce and Social Post App)**

Platform: **React Native (Android + IOS)**

Language: **JavaScript, Redux, Typescript**

Role: I am involved in this project for new development of UI , functionality, modifications and bug fixing from the scratch

App Location : [Client's Product](#)

➤ **RestOrder (Restaurant Online Food Order Application)**

Platform : **Android Native**

Language: Android Native ,Core Java, XML

Role: I involve in this project for Application Coding and XML design.

App Location : Uploaded on Codecanyon.

➤ **E-Commerce app(E- commerce app for purchase products)**

Platform : **Android Native**

Language: Android Native ,Core Java, XML

Role: I involve in this project for Designing and Coding and modifications as per client requirements..

App Location : Uploaded on Codecanyon.

➤ **TeleCaller app(App for video and audio calling)**

Platform : **Android Native**

Language: Android Native ,Core Java, XML

Role: I involve in this project for Bug solving and addition functionality and design changes.

App Location : Client requirement base work.

SDK Used : Agora one to one calling.

➤ **E-Education(Online education app for online study)**

Platform : **Android Native**

Language: Android Native ,Core Java, XML

Role: I involve in this project for Designing and Coding from scratch.

App Location : Not deployed offline using.

➤ **Online Quiz(Online and Offline quiz for leaning and knowledge)**

Platform : **Android Native**

Language: Android Native ,Core Java, XML

Role: I involve in this project for design and code and modifications as per client requirements.

App Location: Product on codecanyon.

➤ **Barcode Scanner App(Warehouse Products Barcode Scanning Application design and development)**

➤ **IoT Application for Car Sensors Analysis (Using ESP32 Wifi-BT Chip)**

Platform: **Android Native**

Description : Using Arduino IDE studio Integrated IoT device ESP-32 with Android

App connected via wifi and BT and transferring data communication with Android

App and IoT Device.

➤ **Many other number of Projects are completed which are not mentioned here.**

➤ **Career Objective: -**

- ☐ Aim to be an efficient employee striving for the betterment of the company and self-development.
- ☐ To work in a team environment on projects which would give me an
- ☐ opportunity to use the knowledge which I've acquired and also
- ☐ encourage collective thinking.
